shows@crabgrasspuppets.com

TECHNICAL REQUIREMENTS:

“THE THREE LITTLE PIGS BUILD A BETTER HOUSE”

THIS IS IMPORTANT INFORMATION.

PLEASE READ NOW AND SAVE UNTIL THE DAY OF OUR PERFORMANCE.

All performance locations must be indoors, with walls on all four sides and with a roof. We cannot perform outdoors or in roofed pavilions.

WHAT YOU NEED TO DO WHEN YOU RECEIVE THIS:

- Measure your stage/performing area to be certain that it has AT LEAST:
10 feet of depth CLEAR SPACE (front to back; no furniture, etc.)
12 feet width CLEAR SPACE (side to side, no furniture)
8.5 feet of clearance from floor to ceiling, or from floor to lowest hanging projections (lights, curtains, etc.)
- **IF YOUR FACILITY DOES NOT HAVE A STAGE AND WE WILL BE ON THE SAME LEVEL AS THE AUDIENCE**, we will need **14 feet of depth** to the front row of the audience. Please keep in mind that we will take up this amount of space from the time we begin setting up until we are packed up after the last performance. Alternate arrangements should be made for lunch or gym classes if they usually take place in the same space.
- **PLEASE CHECK THE LOAD-IN.** This show is designed to ROLL into your facility. **IF WE HAVE TO GO UP OR DOWN MORE THAN 4 STAIRS TO GET FROM THE STREET TO THE AUDITORIUM, CONTACT US IMMEDIATELY** to see if we can adapt to your situation.

BEFORE WE ARRIVE ON THE DAY OF THE SHOW:

- **Please** be sure the stage is **SWEPT, DAMP-MOPPED, and CLEAR OF FURNITURE BEFORE WE ARRIVE.** If the stage is not ready when we arrive, we may not be able to start the show on time.
- We will arrive **one and a half hours** before the performance to begin setting up, and will need 60 minutes following the end of the last performance to pack. Please be sure the performance room is available to us for this time period.

**WE PROVIDE OUR OWN SOUND AND LIGHTING EQUIPMENT.
VIDEOTAPING OF THE SHOW IS NOT PERMITTED**

IF YOUR FACILITY DOES NOT MEET THESE REQUIREMENTS, CONTACT US IMMEDIATELY to see if we can adapt to your situation. It is YOUR responsibility as the sponsor to be sure the performance area and load-in meet the above requirements or to notify us if they do not.

*****IF YOU HAVE ANY QUESTIONS, PLEASE CALL US. THANK YOU!*****
